of Correction

Dear Sir:

Enclosed is a Certificate of Correction submitted under the provisions of 35 U.S.C. §254, to correct errors of the Patent and Trademark Office in the printing of the above-identified U.S. Patent.

SEP 06 2006

In addition to the errors of the Patent and Trademark Office, a review of the patent has revealed the presence of errors attributable to applicant/patentee, which however are of a minor and self-evident character, as listed below:

Column 2, line 12: "15% of patient" should be -- 15% of patients --

Column 6, line 48: "other wise" should be -- otherwise --

Column 7, line 36: "An AAV vectors" should be -- AAV vectors --

Column 17, line 23: "constrcile" should be -- contractile --

While these errors are not of a serious enough nature to warrant a Certificate of Correction, the patentee nevertheless wishes to bring same to the attention of the Patent and Trademark Office, so that same is made of record in the file of this patent.

Respectfully submitted,
